Dear Mr. Weisberg,

I want to obtain a copy of your book on the Warren Commission Report. If you will forward a copy, or the price of a copy if you prefer not to be bothered with billing, I will send you my check.

Please accept my congratulations for your spirited defence of the rights of inquiry on the

Brooks Show the other night.
It was a pleasure to watch
the discomfiture of your
attackers. Their ill-informed
attempts to defend the Report
by attacking you did them
no credit.

Sincerely,

John Sawyer
